## A Special Offer for New Members

\*\*\*\*\*

The 2-for-1 New Member Special for  
Agency, Institute and SSW Based  
Social Workers.

**Available during March and April 2017!**

**March is Social Work Month.** During March, as well as April, the Metropolitan Chapter of the NYS Society for Clinical Social Work is offering all agency, institute and School of Social Work-based social workers an opportunity to join the Society at **a two-for-one rate of \$85 for 2017**. This reduced rate is instead of the regular membership fee of \$170 and requires two members of the same agency, institute, or school to join together.

Social workers in all settings have found membership in our chapter to be a rich source of clinical information, educational opportunities and collegial support. We invite you to join our vibrant organization and to take advantage of this special offer.

If you have any questions please call Richard Joelson, Membership Chair at 212-369-1239 or [rjoelson@aol.com](mailto:rjoelson@aol.com)
