

NASSAU CHAPTER AGING COMMITTEE

Aging Committee continues to meet on zoom every two weeks on Sunday from 10-12. The Aging committee continues to meet on zoom approximately every two weeks. The next meeting is October 22nd. We continue to discuss issues of aging in our clients, society and ourselves, as aging therapists. Books, articles, and cases are occasionally used to generate discussion. The group is open to new members but due to the personal nature of our sharing, we would hope for commitment to the group after attending a meeting or two. Please contact Sheila Rindler, 516 521-1410 or Helene Chin 516 205-0071 for more information or to rsvp.
