

NYSSCSW Nassau Chapter Mentoring Program

The mentorship group, facilitated by Patricia Traynor, LCSW-R, and sponsored by the Nassau Chapter, will be meeting Saturday, February 11, 2023, at 9:00 am via zoom.

The Mentorship group will discuss issues such as licensing, resume writing, interview preparation, and post graduate training. We will discuss transitioning from intern to employee, employee to private practitioner, as well as current job placements for those already practicing.

In the group resources will be shared, clinical issues such as diagnosis and interventions will be discussed, and support will be provided. The goal is to assist with the transition from graduate student to new professional, and to support professionals already working in the field. Additional information will be provided about creating and maintaining a private practice.

If you are interested in joining and receiving the zoom link please contact Patricia Traynor, LCSW-R at 516 840-1550 or email traynorlcsw@gmail.com
