

STATEN ISLAND CHAPTER – ANNUAL SPRING SEMINAR

"The Impact and Treatment of the Opiate Epidemic on Staten Island"

DATE: March 14, 2015

TIME: 9:00 A.M. TO 1:00 P.M.

LOCATION: The STAATEN, 697 Forest Avenue, SI, NY 10310

SPEAKERS: Michael Zampella, LCSW, CASAC and Luke J. Nasta, NPA CASAC

3 CEU'S OFFERED

Mr. Zampella is a graduate of NYU School of Social Work with additional Post Graduate Work, who has over 35 years of experience in mental health and substance abuse issues. He is also an Adjunct Professor at both NYU and Monmouth University. Currently, he is the President of Silver Lake Psychotherapy Associates providing specialty services in adolescent addictive disorders.

Mr. Nasta is the director of Camelot of SI with 39 years of experience in the field of Substance Abuse and founder and leader of Community Services. He has given multiple testimonials to the NYS Senate and Assembly, the NYS Office of Alcohol & Substance Abuse, as well as, others on the issue of Substance Abuse.

As many are aware, the impact of substance abuse on the Staten Island community has been of concern to all. Given the expertise of Mr. Zampella and Mr. Nasta, you will learn about the impact of substance abuse on Staten Island, as well as, its epidemiological issues. The seminar will address how to determine the appropriate level of care; the use of Suboxone or Methadone. It will also include concurrent diagnosis and treatment interventions and the use of psychotropic medications to work this population. Theoretical orientation and interventions in the treatment of the client and significant others will be addressed as well.
